

Full Arch Immediate Implant Loading Live Surgery Course

Friday 8th March 2019

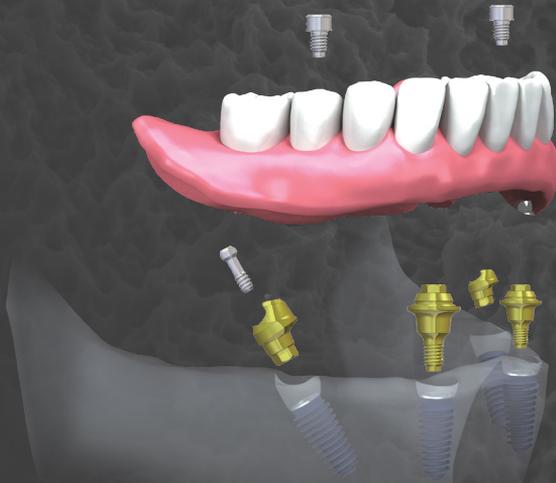

“Most patients have the option to eliminate their denture(s) and they are beginning to look for alternatives. You could be the one to introduce them to that alternative and change their lives.”

Course Outline

Witness experienced surgeon, Neil Cooper place 4 or more implants and, with CDT Steve Taylor provide an immediate fixed provisional restoration. Suitable for any colleague who:

- wishes to improve their understanding of how the 'Immediate Implant Loading' concept works for a full arch restoration
- wants to confidently discuss such options with their patients
- is interested in developing the knowledge and skills to restore such cases
- wishes to expand their own surgical skill and repertoire
- wants to work in close collaboration with a technician to achieve life changing results

TIME: 08:30 - 17:00

8 hours verifiable CPD

COURSE FEE: £395.00 + VAT to include lunch and refreshments

VENUE: Crossbank Dental Care, 10 Captain French Lane, Kendal, Cumbria, LA9 4HP

Course feedback ▼

"The most useful course I've been on in recent times - brilliant! Thank you"

"Excellent course - good general cover of full arch imm load"

"The whole day was fantastic from start to finish... Neil was very approachable, knowledgeable and friendly... I would highly recommend any course at Crossbank"

"I would like to thank Neil, Steve, Megagen & the Crossbank team for arranging this course. Excellent 10/10..."

"Excellent... has changed how I will work in future"

Neil Cooper, Dental Surgeon

BDS MFGDP(UK), DiplImpDent RCS(ENG), Adv Cert FFGDP (UK)
Member of the Association of Dental Implantologists.
Full Member of the British Academy of Aesthetic Dentistry.

Neil Cooper has an extensive knowledge and ability in the placement and restoration of dental implants, with particular attention to the reconstruction of failing teeth and complete edentulism. He has a passion for making patients smiles naturally beautiful by achieving harmony between the teeth, gums, lips and face.

Neil is the principal at Crossbank Dental Care, an implant referral practice in Kendal, Cumbria and is an active full member of the British Academy of Aesthetic Dentistry. He is also a visiting implant surgeon and prosthodontist with The Face Team at 69 Harley Street, London, where he has been involved in the development and delivery of a year long teaching programme for dentists.
