As founders of Dental Wealth Builder (DWB), both Dr Rahul Doshi and Dr Bhavna Doshi primarily focus on Practice Profitability and Growth Solutions. Their strategic techniques have been tried, tested and proven to work and have optimised revenues for many colleagues through their comprehensive DWB coaching programs. Having been in the dental industry for 30 years, they have worked as successful practicing dentists, principals to multiple practices, as business coaches, judges for the National Private Dentistry Awards and recently in partnership with Dentex Healthcare Group.

You will find that they both provide a unique perspective that combines dental know-how and entrepreneurship with focal business fundamentals. Their mission now is to empower dentists' and their teams with easy to accomplish strategies that makes owning a dental practice highly rewarding. **The DWB focus areas are: Entrepreneurship, Practice Success, Leadership, Marketing, Gaining Comprehensive Case Acceptances, Communication Skills and Team Motivation.**

They have lectured extensively on Business Growth & Profitability, and on Interdisciplinary Comprehensive Cosmetic Dentistry including Smile Design, Occlusion, Treatment Planning and Full Mouth Rehabilitation throughout the world including USA, UAE, Italy, India, Germany, Sweden & South Africa.

Their 30 years of experience as founders of the Perfect Smile Studios, Regional Partners for Dentex, Judges for Private Dentistry Awards, and founders and consultants for Dental Wealth Builder Coaching, has equipped them to help with the strategic development and clinical growth of practices, dental teams and dentists.

Rahul Doshi had been voted as one of the TOP 50 most influential dentists in the country and awarded by his peers for his Outstanding Contribution to Cosmetic Dentistry. He is the Past President of the British Academy of Cosmetic Dentistry (BACD) and the Clinical Strategy Development Director for Dentex.
