

Course feedback:

"Yusuf is an excellent teacher, he has patience, empathy and understanding. It's always great to work in collaboration with him. He has added so much value to my practical skills with real world learning."

- Dr. Maya Chohan

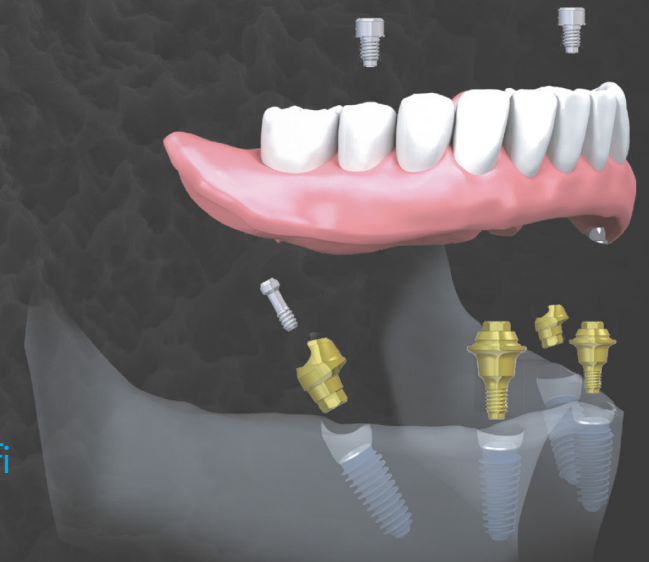

"Having learned the protocol for doing All on Four cases from Dr. Alshafi, I've seen how passionate and knowledgeable he is about the subject. His calm, down to Earth demeanour makes him very approachable. His careful planning, excellent surgical skills and ability to deliver beautiful results is very inspiring. Dr Alshafi's passion and enthusiasm is an asset and has helped me hugely in my personal journey." - Dr. Atul Sharma

Yusuf Alshafi, BDS (Lond) MFDS RCSEd MSc (Dental Implants)

Yusuf Alshafi qualified from Guy's, King's, and St Thomas' Dental Institute in 2007. After graduating he completed the prestigious two year General Professional Training programme, where he won the David Rule Memorial Prize. The programme included a Senior House Officer position at Guy's Hospital in Oral Surgery and Restorative Dentistry. At the end of this, he completed examinations and was awarded Membership of the Faculty of Dental Surgeons, at the Royal College of Surgeons, Edinburgh. His passion and interest in dental implants lead him to complete an MSc in Oral Surgery and Dental Implantology.

Since 2010, he has completed numerous postgraduate courses in implant dentistry in the UK, US, and Europe and has developed his experience in the most advanced dental implant treatments and the latest techniques.

Yusuf is currently working in multiple practices in London and the South East, with his time dedicated entirely to implant and oral surgery. He has now mentored a number of dentists starting out in the field of implant dentistry and thoroughly enjoys teaching a subject he is passionate about.
