

Dr. Christopher Leech

BDS, MAGDS RCS (Ed), MFDS RCPS (Glasg),
Dip Imp Dent RCS (Ed), FDS RCS (Ed)

After studying at Newcastle University Dr. Chris also trained at Sheffield University where he discovered a love for dental implants. He has travelled Internationally training to the highest standards and sits on the Board of Directors for the British Academy of Cosmetic Dentistry. He is also the first dentist in the UK to pass the Membership for Advanced General Dental Surgery with the Royal College of Surgeons Edinburgh and is a member of the Dental Faculty for the Royal College of Physicians and Surgeons of Glasgow. He has also been awarded his Diploma in Implantology from the Royal College of Surgeons Edinburgh. He is an examiner for the Royal College and has also been awarded a Fellowship, considered the highest available award from the College that very few hold. He is a member of the Society for the Advancement of Anaesthesia in Dentistry and loves putting anxious patients at ease.

Learning objectives

- Understand the advantages that immediate implant placement provides over a delayed approach.
- Discuss key observations to consider during case selection.
- Undertake digital planning and guide fabrication for the case
- Understand the surgical technique to ensure primary stability.
- Review temporisation options

Programme

18:30 Registration
