Speakers

Prof. Davide Farronato
DDs, PhD, PD, AP

He graduated in Dentistry with maximum cum laude in Milan, has a PhD in “Innovative Techniques in Oral Implantology and Implant Prosthetic Rehabilitation”, specializes in Oral Surgery with laude.

Active member of IAO (Italian Academy of Osseointegration), of MINEC (MegaGen International Network of Education and Clinical Research), founding member of the SISCOO (Italian Society of Specialists in Oral Surgery). He is Associate Professor at the University of Insubria, Italy, President of the Dental Hygiene School and Director of ITEB Research (Center of Innovative Technology and Engineered Biomaterial).

He is an implant designer for multiple companies and his scientific work is aimed at understanding the variables that affect the stability of peri-implant tissues in the aesthetic zone at the long term.

Dr. Nicholas D. Charles
Dentist

He graduated in Dentistry in 2002 at University of Catania and in 2008 completed a Master of Science at University of Torino in Periodontology. He also completed in 2010 a 1-year course in Health Management at University Bocconi in Milano and in 2016 another 1-year course, in Dental Management at University San Raffaele in Milano.

In the last 12 years he has been working in Dental Industry as KOL & CE Manager, leading the cooperation with Universities, Scientific Associations and Opinion Leaders, this brought him almost worldwide (4 continents out of 5) attending the most important Congresses and Trade Shows in the market.

Each step was important, and one at a time, others are being completed, Dr. Charles “Has no special talents. He is only passionately curious”, and he is willing to share his knowledge.
