Founder of One to One Implant Education Dr. Fazeela Khan Osborne

Dr. Khan Osborne is the founding clinician of the **FACE implant** multi-disciplinary team both on the surgical and restorative side, for **One To One Implant Education Clinic** based in Harley Street, London.

After qualification, Fazeela held **several surgical posts in Oral & Maxillofacial Surgery**, before studying for a **MSc in Restorative Dentistry/ Gerodontology** which she received with Distinction.

She has always had a passion and **special interest in Implant Dentistry**: both on the surgical and restorative full arch rehabilitation of the maxilla, and has been involved in developing treatment modalities for Peri-implantitis within clinical practice.

She is the **Course Lead for PG Diploma In Implant Dentistry for One To One Education Programme and smile fast.**

A former Lead Tutor and Assessor for the Royal College of Surgeons, (Diploma In Implant Dentistry) and accredited Mentor; she lectures worldwide on Implant Dentistry and is an active member of the ADI, BAAD, ICOI. with Prof. Marcus Abboud on the Post-graduate Implant Programme at Stonybrook University (USA) running a joint programme in Muco-gingival surgery for Implant Dentistry with Prof Cristian Dinu (Romania); and also twinning the Advanced Implant Dentistry programme with Dr Howie Gluckman in Cape town, (South Africa). She lives in West London with her 2 children.

INTRODUCTION TO DENTAL IMPLANTS

with Dr. Fazeela Khan Osborne

OBJECTIVES

- ✓ Give dentists the knowledge and confidence to assess, plan, and place straightforward implant cases
- ✓ Bridge the gap between theory and independent clinical practice through hands-on training
- ✓ Build safe, predictable treatment planning skills using a structured implant workflow
- ✓ Give dentists the knowledge and confidence to assess, plan, and place straightforward implant cases
